

You cannot get to Seibal from the new Vidanta Resort entrance. You must still use the old Vidanta Resort entrance off of Boulevard De Nayarit. When driving to 601 SEIBAL from the AIRPORT or PUERTO VALLARTA, you will know your exit by spotting this building to your right, and then this road sign that reads NUEVO VALLARTO.

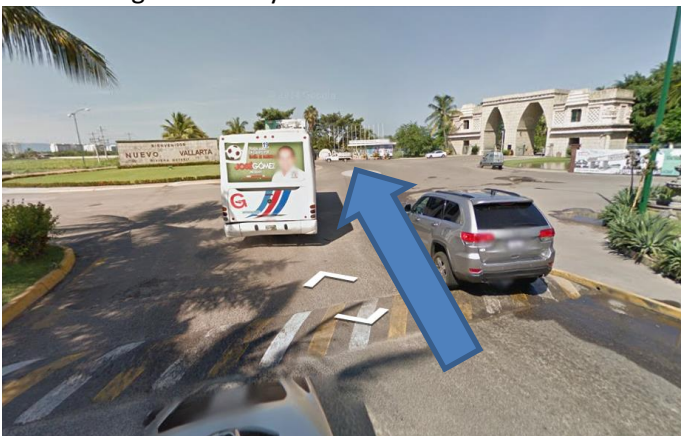

The entry of the EXIT RAMP is not marked. It looks like this:

This RAMP becomes a two-way traffic ramp, so stay to the right. Continue on OVERPASS and straight to the CIRCLE.

Be in the right lane so you can exit the CIRCLE to continue straight.

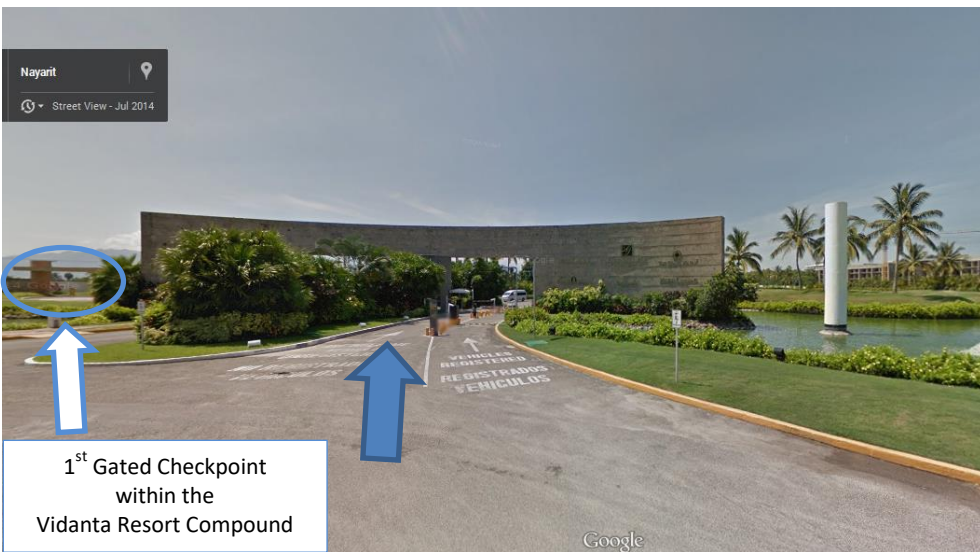

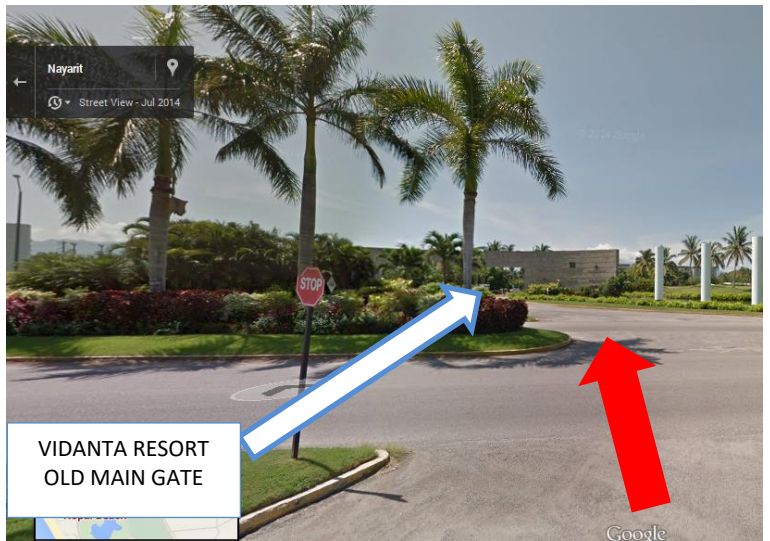

Proceed until you reach the NUEVO VALLARTA ENTRY GATE.

Remain in the right lane when passing through the NUEVO VALLARTA ENTRY GATE, because you will be taking an immediate right turn in preparation for a left turn that crosses traffic.

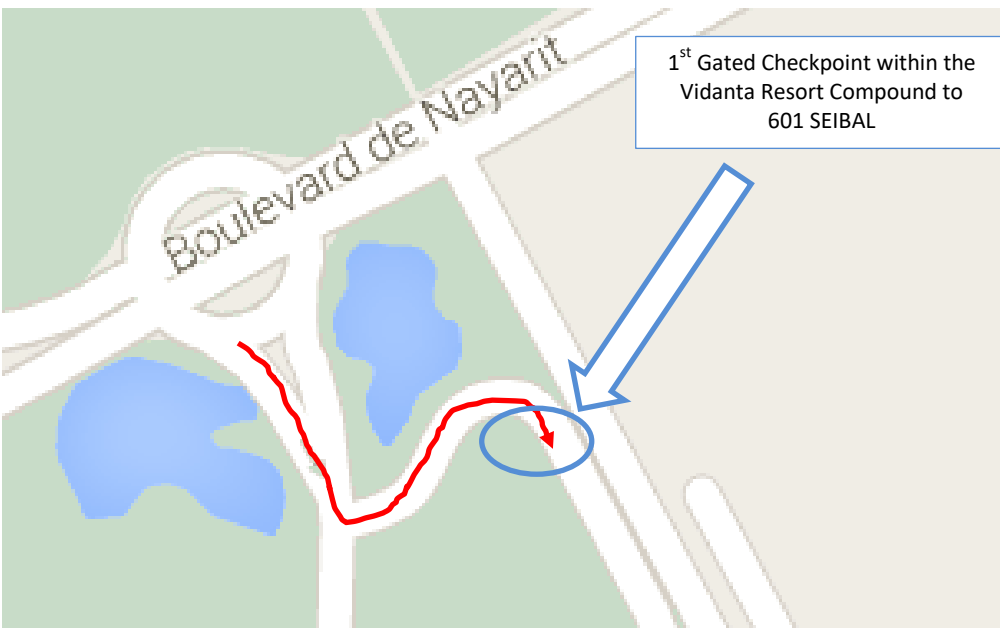

In Mexico, it is common to make a left turn from the far right lane or exit lane. Follow the RED ARROW for your driving route. In other words, the VIDANTA RESORT OLD MAIN GATE is to your left, so to make a left turn, take your first right. STOP. And cross both lanes of traffic toward the VIDANTA RESORT OLD MAIN GATE.

Use left lane of the MAIN GATE. ADVISE THE GUARD THAT YOU ARE VACATIONING AT 601 SEIBAL [owned by Sylvanus Jones (father) and Donovan Jones (son)]. If there are any questions, they can call IRIANA HERNANDEZ, the SEIBAL condominium manager.

Once through the VIDANTA RESORT OLD MAIN GATE, you will make your first left and proceed to the 1st GATED CHECKPOINT within the Vidanta Resort Compound on your way to SEIBAL. ADVISE THE GUARD THAT YOU ARE VACATIONING AT 601 SEIBAL [owned by Sylvanus Jones (father) and Donovan Jones (son)]. If there are any questions, they can call IRIANA HERNANDEZ, the SEIBAL condominium manager.
